

Artur Campos

STREAMLINE PROBLEM-SOLVING PROCESS THROUGH STRATEGY

While pursuing his studies in Brazil, Artur was given the opportunity of two internships in the most distinguishing companies in the Brazilian Energy Sector.

In Ipiranga Produtos de Petróleo, Artur had the opportunity to work in the Financial Planning Department, and in Abegás as a strategist planner. A few months before graduating as an Industrial engineer, he joined EY as a trainee in evaluation consulting and acquired excellent knowledge on M&A and finance. After three productive years in EY, Artur decided it was time for a challenge, and successfully implemented a Business Intelligent Department.

Artur is a highly motivated and a hardworking individual with strong analytical skills and his main priority is to apply his knowledge in Finance, preferably, in Private Equity or Merger & Acquisitions Consulting.
